

The Bible has a lot to say about divorce in the Old Testament, in the New Testament it is brief, but the point is: don't divorce until you've exhausted every other option. Have you or someone you know ever been to the point of almost getting divorced, but God miraculously brought it back together? If so, what did God do?

How can a spouse who is a believer show the love of Christ to their spouse who does not go to Church with them or follow Christ?

Looking back since we first started the Love & Marriage series, what are some things that have stood out to you along the way or that have been helpful?

## Love & Marriage

### Principles on Marriage

*1 Corinthians 7:1-16*

Marriage is intended to \_\_\_\_\_ the \_\_\_\_\_  
of sexual immorality.

\_\_\_\_\_ is a gift from God.

Divorce is \_\_\_\_\_, but never \_\_\_\_\_.

Being married to an unbeliever is an \_\_\_\_\_  
to show the \_\_\_\_\_ of Christ.
