

Jesus' leadership is counter-cultural. Leadership is usually displayed through power & position, but Jesus displays it through the Cross and a Towel. How is Biblical leadership different from the world's view of leadership?

"Do not follow anyone who is unwilling to serve." Do you agree with this statement? Why or why not? If yes, how can someone cultivate a servant's heart, and do you have a servant's heart that others would want to follow?

Read 2 Corinthians 9:8. Reflect on this verse and tell the rest of the group what this verse means to you. Share what you thankful for in this verse.

## Gospel Community Questions

In this week's sermon, what was a take away for you?

How does our culture view the relationship of servant & master? How does it impact our faith and the secular world's view of Christianity?

What does it mean to be a servant of God?

The footwashing experience would of been life-changing for the 12 disciples, how do you think you would of felt and responded in that moment? What new attitudes would you of developed towards Jesus?

The life of a disciple is rooted in service. If a "servant is not greater than his master," how is the Christian's life supposed to reflect what Jesus did for His disciples? How do we carry out service unto God and to others like Jesus did?
